"Circles really are better than rows. These girls have changed my life so much throughout the past 4 years by being in small groups with me at Athens Church. Groups, what you do is life changing. I've made some of the greatest friends who walk through the good and the bad with me. *They encourage me, challenge me, and help me grow.*"

"Our leader is amazing. He's *always* there for us."

"My leaders are literally my second moms in Athens. *They have put their hearts and souls into this group...it was so nice to be able to go out to their homes every week and get away. Our leaders always checked on us outside the group and were always going above and beyond their assigned duties. They are two of the best people I know, and I will be forever grateful to know them.*"
